The Icu Book 4th Edition

A fundamental and respected resource book in critical care, The ICU Book, Fourth Edition , continues to provide the current and practical guidance that have made it the best-selling text in critical care. The text addresses both the medical and surgical aspects of critical care, delivering the guidance needed to ensure sound, safe, and effective treatment for patients in intensive care—regardless of the specialty focus of the unit. Traditionally available as a printed textbook, the print ...

selling text in critical care.

Marino's The ICU Book North American 4th Edition by Paul L ...

The book is divided into 17 sections and 55 chapters with 246 illustrations and 199 tables. Each chapter is broken down into basic introduction with key concepts, equations, illustrations as required, and ends with a final word and most recent references.

Marino's The ICU Book, 4th Edition | Annals of the ...

The fourth edition of The ICU Book marks its 23rd year as a fundamental sourcebook for the care of critically ill patients. This edition continues the original intent to provide a "generic textbook" that presents fundamental concepts and patient care practices that can be used in any adult intensive care unit, regardless of the specialty focus of the unit. Highly specialized topics, such as obstetrical emergencies, burn care, and traumatic injuries, are left to more qualified specialty ...
